**Excellency,**

As you are aware the Ministry of External Affairs, Government of India under its flagship capacity building programme "Indian Technical & Economic Co-operation (ITEC)" offers short term courses and training modules to Palestinian nationals in various disciplines such as Accounts, Audit & Banking, Artificial Intelligence, Cyber Technologies & Emergent Technologies, Information Technology, Public Administration, Water Resources, Entrepreneurship, Rural Development, Renewable Energy, Cyber Technology, Quality Management, Health & Yoga etc.

**2. Under ITEC programme, the expenses on the above mentioned training programmes including the return international airfare, tuition fees, accommodation, emergency medical treatment, stipend, book allowances and study tour, are borne by the Government of India.**

3. I am delighted to inform you that more than 1300 Palestinian nationals have been trained under ITEC so far and this would not have been possible without Palestinian Government's generous support.

4. To strengthen the eternal friendship between India and Palestine and to assist in the capacity building efforts of Palestine, **we count on Excellency's support for sending Palestinian nationals to India for these courses.** I request you to kindly nominate members of your organization for the appropriate ITEC courses. **List of institutions, courses and the application form for the year 2024-2025 are available on:**
