Subject: Erasmus+ International Credit Mobility

Dear Partner,

I'm happy to inform you that our application for International Credit Mobility in the framework of the 2023 Erasmus+ KA171 program has been selected for funding. I enclose a brief description of the activities to be carried out by the end of the project including the mobilities that have been granted. In order to maximize the value gained from this grant and to ensure fluent organization, I kindly ask for your actions in the following:

- Please assign a responsible staff member at your institution who will be the first point of contact in all matters related to this credit mobility project.
- at Budapest Metropolitan University please contact me directly fweininger@metropolitan.hu

Kind regards,

Fatima Weininger-Hollósi

Erasmus+ Institutional Coordinator
